Correspondence ending with letter No. 18907, dated 29—30th May 1928, from the Registrar, Mysore University, on the question of recruitment to the tutorial staff of the Mysore University.

ORDER NO. 1411-12—C.R.B. 6-28-1, DATED 7TH AUGUST 1928.

In connection with the filling up of the vacancy of a post of Demonstrator in the Central College, Bangalore, the following resolution was passed by the University Council at a meeting held on 29th October 1927 and the same was communicated to the Central Recruitment Board :—

"Further Resolved that the Council are strongly of opinion that no teaching appointment in the University should be reserved as a special vacancy for any community or communities and that, in the highest interests of the communities themselves, a teaching appointment in the University should not be given to a man of inferior qualifications on communal grounds. The Council further observe that non-reservation for particular communities has happily been the uniform procedure adopted hitherto in the University and that any departure from this sound principle would be disastrous to the efficiency as well as the good name of the University."

The Central Recruitment Board, while apparently agreeing with the University Council as regards the importance of securing the best men for tutorial posts in the University, have pointed out that in filling up such posts, the desirability of securing adequate representation of member of Backward Communities should be kept in view. They also suggest that vacancies in the tutorial staff should be advertised through the Central Recruitment Board, that selection should be confined to candidates whose applications are forwarded by the Board and that in making the selection, preference should be given to persons belonging to Backward Communities if their qualifications are equal to those of other candidates.
